

14th CIDC VISHWAKARMA AWARDS 2023 (17th March 2023)

CALL FOR NOMINATIONS | LAST DATE FOR ENTRIES | 15th October 2022

WOMEN ARE ENCOURAGED TO APPLY!

The 14th CIDC Vishwakarma Awards is scheduled to be held on 17th March 2023 in Delhi.

The only constant in life is change. During the last two years, change has embraced us in all we do. Like every other industry, our industry has also borne the brunt of the pandemic and come out much stronger in terms of sheer resilience.

Over the last two years the Jury at CIDC Vishwakarma Awards continued to salute this spirit of resilience and awarded the deserving organizations with the Corona Warrior Award.

With economies opening up and life getting back to the new normal, starting with this edition, the Corona Warrior Category, having served its purpose is withdrawn. So have been some other categories that have undergone modifications or have been withdrawn altogether for the time being. ‘

As we progress on the road to create a better and more vibrant construction industry, the mantra of the Award remains “Creating replicable best practices”!

The application criteria have also undergone certain modifications along with the categories and we request you to kindly go through the pages to have a deeper understanding of the award process this year!

Though our work styles may have changed, but the ethos and enthusiasm of the award remains! “What was” and “What will be” is totally reflected in the way we deal with our present and how we approach the future.

The revised guidelines, instructions for all categories and SOP are hosted on our website: www.cidc.in
