

**BUILDING THE NATION
CONSTRUCTION INDUSTRY DEVELOPMENT COUNCIL
&
ALL OUR MEMBER ORGANIZATIONS
ARE PROUD TO HAVE CONTRIBUTED TO THE PRIME NATIONAL EDIFICE**

Inauguration of the new Parliament Building – Central Vista, is the beginning of a new chapter in the history of our motherland.

While congratulating the entire Nation & all citizens, we appreciate the great gesture of our Hon'ble Prime Minister to have recognized the contributions made by the construction workers, who toiled day & night to build this National Edifice in the shortest possible time.

We also laud the role of CPWD, who made it mandatory to employ the services of Skilled, Trained & Certified workers & also the Professional Engineers.

CIDC & all our member organizations are proud to be part of this great initiative. Having skill certified a large segment of the workers who built the National edifice, we are continuously working to groom the Construction Work Force, for many other important National projects.

Our trained workers are relentlessly working on Highways, Roads, Building, Aviation, Railways, Ports, Mass Housing, Power Projects & especially for many Defence Projects.

The New Parliament Building – Central Vista is a live example of our commitment to the Nation!
