

Message from the desk of  
Dr. P. S. Rana  
Chairman CIDC

Friends,

The ongoing Pandemic COVID-19 has to be combated with all the vigour.

I am giving few suggestions for your consideration.

1. Do not panic, no epidemic or pandemic has ever lasted in this world. Even this would go.
2. It is always better to be safe than sorry. Follow all precautions.
3. Keep guiding your colleagues & workers to immediately react to any initial symptoms & seek medical assistance & practice isolation.
4. Plan your work which could be done from home & complete all pending & unfinished tasks.
5. Continue working & thinking positive.
6. Do not take cognisance of rumours & follow the guidelines as prescribed by the Government.

I am confident, soon we shall resume our work & lives normally.

Sincere regards
