CALL FOR NOMINATIONS

ECI invites nominations for Award

April 28, 2026, New Delhi

INTRODUCTION:

Last date for entries February 15, 2025.

Engineering Council of India (ECI) was incorporated on April 4, 2002 as the apex body of the engineering profession in the country, by coming together of 24 professional organizations / institutions of engineers to work for the advancement of engineering profession in the country.

Today, there are 33 Associations/Institutions of Engineers, as members of ECI. Engineering council of India, as the apex body, enlists & continuously groom the Professional Engineers, capable of shouldering the responsibility of delivering fine engineering solutions which the country & abroad the Professional Engineers Register has grown over the years & our Engineers registered on the same, have performed very commendably.

To honor such individuals ECI, has decided to accord the honor to competent Professional Engineers. Application from those Professionals who are empaneled & have fulfilled the essentiality conditions, are invited.

INTRODUCTION: OUTSTANDING ACHIEVEMENT AWARD IN INDUSTRY CATEGORY

The Outstanding Achievement Award in the Industry Category recognizes individuals and organizations that have demonstrated exceptional performance, innovation, and leadership within the industrial sector. This award honors significant contributions that have led to measurable improvements in productivity, quality, technological advancement, sustainability, or overall industry growth, though encouraging their Engineers to fair the ranks of Professional Engineers.

It is intended to celebrate those who have set exemplary standards through their commitment, visionary approach, and impactful achievements. By acknowledging such excellence, the award encourages continued innovation and inspires others in the industry to strive for higher benchmarks of professionalism and performance.

AWARD CATEGORIES:

Nominations are invited in the following five categories:

- **Outstanding Achievement Award in Industry Category**
- **Best Professional Engineer**
- **Best Student Engineer - (Both degree and diploma)**
- **Best Senior Professional Engineer**
- **Best Associate Professional Engineer**

EVALUATION PROCESS:

- **Expert Evaluation Team:** All nominations will be initially assessed by a group of expert evaluators.
- **An Independent top-level:** Evaluators will submit their findings to a distinguished jury comprising leading professionals from public and private sectors, ensuring a fair and transparent selection process.

GROWING INTERNATIONAL ALLIANCE:

An (MoC) Signed Between ECI and ERB Tanzania:

A Memorandum of Cooperation (MoC) was formally signed between the Engineering Council of India (ECI) and the Engineers Registration Board (ERB) of Tanzania on April 11, 2025. This strategic partnership aims to strengthen professional engineering standards, enhance international cooperation, and support mobility and recognition of engineers across both nations.

-Objectives of the MoC.-Recognition of Professional Qualifications, Joint Certification Programme (JCP), Professional Mobility, Alignment of Ethics and Standards, Knowledge Exchange, Professional Development, Technology Exchange.

-Following this successful MoC, many other countries have also expressed keen interest in establishing similar cooperation frameworks with ECI. This growing global engagement highlights India's rising leadership in engineering standards, professional development, and international mobility. It also reflects the confidence that other nations place in ECI's systems, processes, and commitment to excellence.

INVITATION FOR NOMINATION:

Nominations are invited for these awards. The nominations may please be emailed to ecipenationalregister@gmail.com, eci@ecindia.org, or supporting documents / evidences, wherever necessary, along with the application required in the attached proforma by February 15, 2026.

Annexure -A
Criteria for the Applicants

➤ **Criteria for Outstanding Achievement Award in Industry Category.**

- ★ Societal Benefit: Direct impact on lives or significant community contribution.
- ★ Talent development.
- ★ Sustainability, Environment friendly.
- ★ Technology, Learning / Implementation of new technology.
- ★ Continues mentoring of young engineers and supervisors on site.
- ★ Continuous implement in arresting attrition.
- ★ Timely completion of project.
- ★ Membership with the professional Institutions.

➤ **Criteria for Best Senior Professional Engineer / Professional Engineer Awards.**

- ★ Knowledge sharing with the industry and academia.
- ★ Regular upgradation through the Continuing Professional Development (CPD).
- ★ Sustainability, Environment friendly.
- ★ Technology, Learning / Implementation of new technology.
- ★ Continues mentoring of young engineers and supervisors on site.
- ★ Membership with the professional Institutions.

➤ **Criteria for Best Associate Professional Engineer Award.**

- ★ Engineering career Achievement.
- ★ Regular upgradation through the Continuing Professional Development (CPD).
- ★ Technology, Learning / Implementation of new technology.
- ★ Professional Society Activities.
- ★ Community & Humanitarian Activities.
- ★ Membership with the professional Institutions.

➤ **Criteria for Best Student Engineer Award - (Both degree and diploma)**

- ★ Strong academic performance in engineering studies.
- ★ Active participation in technical events, workshops, and seminars.
- ★ Demonstrated interest in innovation, research, and emerging technologies.
- ★ Practical application of engineering knowledge through projects, internships, or field training.
- ★ Participation in professional society activities and student chapters.
- ★ Commitment to continuous learning and professional development.

Applicants is advised to check and put tick marking () Yes., (X) No or NA Not applicable as the case may be and provide supporting documents / evidences, wherever necessary, along with the application.

Name of Organization:

Project Name & Location:

Information furnished:

S. No.	Item	Yes	No	NA
1.	Name of contact person / Project Head provided:			
2.	Complete contact address / Mobile, Email.			
3.	Date of Birth / Establishment provided:			
4.	Award Category.			
5.	No objection certificate from the project owner. (As applicable)			
6.	Minimum desired experience / condition achieved (Applicable for all categories):
