

Meeting with Board of Certified Safety Professionals (BCSP), Indianapolis, USA/Dubai

Greetings from Construction Industry Development Council !

It gives me immense pleasure to inform you that the senior officers of the Board of Certified Safety Professionals, Indianapolis, USA / Dubai had a kick off meeting with the Senior officers of CIDC in our office today.

We are in the process of formalizing our work plans for India & other Countries in IMEA Region. This would enable us create a robust cadre of Safety & Quality professionals at various levels for our Industry. We would soon come back to you seeking your help for expanding the joint Programs.

You may visit www.bcsp.org to have details about the programs on the Anvil & disseminate the information in your network.

Regards

Dr. P. R. Swarup, Director General
