

Meeting with H. E. Mr. Sangwoo Lim, Hon'ble Commerce Minister of Korea

Greetings from Construction Industry Development Council !

It gives me pleasure to inform you that this afternoon, our team had a very productive meeting with His Excellency, Mr. Sangwoo Lim, Hon'ble Commerce Minister of Korea.

Hon'ble Minister was desirous to meet us regarding specific streams of Infrastructure Construction in India, where CIDC could work with the Constituents of Korean Industry & other Institutions from Korea.

The discussions focussed on construction of Metro, Roads & Highways, Buildings, Harnessing the Green Energy, & maintenance of built assets.

It was agreed that the nodal Institutions of Korean Govt, would be advised to work jointly with CIDC to take up this further.

Sincere regards

Dr. P. R. Swarup, Director General
